Lent Appeal 2025

Jars of Change

By taking part in WaterAid's Lent Appeal, you can bring lasting clean water to homes and health clinics. It's simple: give something up for Lent, donate the money you save, and together you will help more families protect themselves against disease and infection with clean water.

Give something up for Lent, collect the money you save in your Jar of Change, and donate it to WaterAid. Use the label form above to line your jar.

What to give up? Something you use or buy often – it can be really small – and then collect the money you save by giving it up. A cup of coffee or a chocolate bar a day quickly adds up, and will help a family get reliable, clean water.
